Office Policy

We require our staff to address our patients with professionalism and we ask our patients to do the same. If at any time our staff feels that your tone or language is offensive or abusive, we expect them to terminate the conversation immediately and notify their immediate supervisor or doctor. We will document our record and depending on the severity of situation, you may be discharged from the practice.

Emergency Policy

Due to the complex nature of dentistry, patients will only be seen by the dentist during business hours with our assisting staff present. We offer an emergency line where the on-call dentist can return your call after hours to provide consultation, pharmacy prescriptions, appointment scheduling and palliative care. We will make every effort for you to be seen on the following day during office hours. If you are having a true medical emergency such as trouble breathing or significant swelling, it is recommended that you go to the closest Emergency Room or call 911.

We are committed to providing the best possible treatment and ask for your cooperation in following our policies.

I READ AND UNDERSTAND THE ABOVE POLICIES AND AGREE TO ABIDE BY THEM. I FURTHER UNDERSTAND THAT FAILURE TO DO SO MAY RESULT IN MY DISCHARGE FROM THE PRACTICE.
