CONSENT FOR SERVICES

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care, and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient, and that he or she is personally responsible for payment of all dental services. This office will help prepare the patient's insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, the dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fees estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the doctor, I agree to pay therefore the reasonable value of said services to said doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time of payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition, and I further agree to pay all costs and reasonable attorney fees if suit were instituted hereunder.

I grant my permission to you or your assignee to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

Office Policy

We require our staff to address our patients with professionalism and we ask our patients to do the same. If at any time our staff feels that your tone or language is offensive or abusive, we expect them to terminate the conversation immediately and notify their immediate supervisor or doctor. We will document our record and depending on the severity of situation, you may be discharged from the practice.

Emergency Policy

Due to the complex nature of dentistry, patients will only be seen by the dentist during business hours with our assisting staff present. We offer an emergency line where the on-call dentist can return your call after hours to provide consultation, pharmacy prescriptions, appointment scheduling and palliative care. We will make every effort for you to be seen on the following day during office hours. If you are having a true medical emergency such as trouble breathing or significant swelling, it is recommended that you go to the closest Emergency Room or call 911.

We are committed to providing the best possible treatment and ask for your cooperation in following our policies.

I READ AND UNDERSTAND THE ABOVE POLICIES AND AGREE TO ABIDE BY THEM. I FURTHER UNDERSTAND THAT FAILURE TO DO SO MAY RESULT IN MY DISCHARGE FROM THE PRACTICE.
